Our exclusive specialty pharmacy makes waiting in line a thing of the past

Filled by **Biologics**, TARPEYO™ (budesonide) delayed release capsules are delivered directly to your patient's doorstep. TARPEYO is not available at any other pharmacy.

You prescribe TARPEYO.

If you submit the script through EMR, you'll still need to complete and fax an [enrollment form](#) to enroll your patients in TARPEYO Touchpoints™.

A Biologics pharmacist calls your patient

to set up the first shipment for next-day delivery to wherever they are.*

Your patient provides Biologics with their email

to receive tracking information for their TARPEYO shipment.

TARPEYO arrives at your patient's doorstep.

Unless requested, a signature isn't required for delivery confirmation.

A TARPEYO Touchpoints Nurse Educator

will check in with your patient 14 days after the first shipment.

For future shipments,

your patient can sign up for refill notifications by text message, or Biologics will contact them 7 to 10 days before their next refill to schedule delivery.

OUR EXCLUSIVE SPECIALTY PHARMACY IS BIOLOGICS.

We're available Monday through Friday, 8 AM to 8 PM ET, at 1-833-444-8277 or visit TarpeyoTouchpoints.com
